

Critical Race Theory: What it is and what it is not

AAUW November Branch Program

On Tuesday, November 9, we will gather at 5:30 for dinner at Ilio DiPaolo's restaurant, 3785 South Park Avenue in Blasdell. Our co-sponsor, the League of Women Voters of Buffalo/Niagara, will join us.

Our program on this controversial topic will feature **Peter Yacobucci, PhD**, Associate Professor in Political Science and Public Administration at SUNY Buffalo State. He will be joined by **Crystal J. Rodriguez-Dabney, Esq.**, Chief Diversity Officer at SUNY Buffalo State and chief of staff to President Katherine Conway-Turner. Her husband **Judge Phillip Dabney Jr.**, who serves as associate judge on the Buffalo City Court, has also been invited to participate.

Critical Race Theory: What it is and what it is not. Is America a white supremacist nation or is racism mostly part of America's past? Do we all have a fair opportunity to attain the American dream?

Dinner will consist of salad, warm rolls, penne pasta, and choice of beef roulades or chicken piccata with baby red potatoes and mixed vegetables, plus spumoni. Vegetarian choice: ravioli or eggplant parm. *Guests may order drinks from the waitress.*

Please send the form below along with a check for \$25 written to AAUW Buffalo for each person in your party to: Betty Preble, One Fox Run Lane #622, Orchard Park, NY 14127. Deadline Oct 29.
